CONCLUSION

Through this employment guarantee scheme the workmate of the MGNREGA share their ideas and experiences with their workmates.they are regularly visit the grama sabha & women are aware about employment opportunities and their rights. They have their own savings account through this scheme. Savings helps to children's studying,paying of debt, medical care etc. The scheme creates an opportunity for the upliftment for the SC women in the panchayath. The scheme provides safe and secure employment opportunities to the women without any discrimination on the basis of caste, colour, religion, and gender.

SUGGETIONS

- On the basis of available information getting from the study the investigator has made the following recommendations:
- The MGNREGA implementation is needed for strenghthened in the rural areas more effectively
- There is a need for the timely distribution of wage & unemployment allowance and more working days for the empowerment of rural women.
- Give importance to developing a wider range of work types under the MGNREGA.
- Must provide provision for the participation of women in the planning process
- The MGNREGA must need to facilitate opportunity for asset management by the women in rural areas.

- Strenghthened the supervision and execution of MGNREGA works in the grama panchayath level.
